

3rd International Conference and Expo on Lasers, Optics & Photonics

October 21-22, 2024 | Edinburgh, UK

This Certificate is Presented to

Prof/Dr/Mr/Ms. **Naoaki Yamanaka**

Director - Asia Pacific Board at IEEE Communications Society, Japan

In recognition and appreciation for his/her
contribution as a keynote speaker on

**“Massive Wavelength Division Network for Ultra-low Latency
Service Using Hollow Core Fiber”**

Prof. Edik U. Rafailov

Head - Optoelectronics and Biomedical
Photonics Research Group,
Aston University, UK

(Conference Chair)

Prof. Tatjana Gric

Semiconductor Physics Institute, Center
for Physical Sciences and
Technology, Lithuania

(Conference Co-Chair)

Organizing Committee Members

Dieter Schuocker

University of Technology
Vienna, Austria

Xenia Bogomolec

Founder & CEO- Quant-X
Security & Coding
GmbH, Germany

Jun Zhang

Guilin University of
Electronic Technology,
China
